In today's crowded world, it's not necessarily the product or service which helps a company to stand out, but it's the story.

A heritage accumulated over generations. It is the way a company innovates in response to challenges that differentiates it from competitors.

Moleskine helps companies tell their stories. Our notebooks are books to be written, our bags are containers to be filled and our writing instruments fuel to communicate.

We offer simple, thoughtfully designed, functional objects that can be turned into powerful communicators for the world's best brands.

Let's start telling your story together.

MOLESKINE WORLD

NATURALLY SMART STORYLINE FOR 2017

WHAT'S NEW

OBJECTS

THE MOLESKINE STORY

The heir of the legendary notebook

THE ORIGINAL

The classic black notebook with ivory coloured pages and rounded corners is an object imbued with history and creativity. Beginning in France and used by cultural icons like Vincent van Gogh, Pablo Picasso, Ernest Hemingway and Bruce Chatwin, the Moleskine Notebook has upheld and continued this legacy.

LEGENDARY BEGINNINGS

The notebook that Bruce Chatwin called “moleskine” became increasingly scarce in the 1980s before disappearing from production completely. In 1997, a small Italian publisher brought the **legendary notebook** back to life, and with it an extraordinary tradition of creativity and self-expression.

PAPER EVOLVES

Today, the original Moleskine Notebook is part of a **family of versatile tools**, for ordinary and extraordinary journeys, to foster creativity and improve productivity. We offer objects such as bags, accessories, writing instruments, booklights and digital device covers. Our Moleskine Plus Collection bridges the gap between analog and digital processes. While our Moleskine Books Collection is an essential resource for today’s creative professionals: inspiring books featuring leading figures from the worlds of architecture, design, graphic design and fashion.

THE MOLESKINE COMMUNITY

Thousands of creations are posted online regularly by **fans of Moleskine**. We also engage offline through partnerships with some of the world’s key cultural leaders, in-store events and travelling exhibitions, such as Detour which supports the non-profit foundation *lettera27*.

THE COMPANY

Through an effective and efficient combination of hard channels, Moleskine is able to drive a sustainable long term growth. We are a global organization with an experienced leadership team, operating through a unique global brand.

AN INTERNATIONAL COMPANY

Distributed in over 100 countries in over 27,100 points of sale, our head office is in Milan, Italy, and the Moleskine Group includes the following wholly owned subsidiaries: Moleskine America, Moleskine Asia, Moleskine Shanghai and Moleskine Germany.

GLOBAL RETAIL MARKET

Moleskine operates over 60 of its own retail stores; spaces where the entire collection is available in one place. Strategically located in key transportation and shopping hubs in major cities like Paris, London, Berlin, New York, Shanghai, Tokyo and Milan, further openings are planned worldwide. Moleskine increases its high visibility within the retail market with displays in major retailers around the world, new partnerships and e-commerce platforms.

OUR CONTINUING GROWTH

Moleskine is a creative company enjoying continued growth. It counts over 450 employees and a vast network of partners and consultants. Since April 2013, Moleskine has been listed on the Italian stock exchange, **Borsa Italiana**.

AN ORIGINAL BRAND

A cultural icon

The international strength of the Moleskine brand comes from our continued connection to art, culture and the global creative community. It is an inclusive and premium journey brand that enables everyday life on the move.

The brand values are founded on these five pillars:

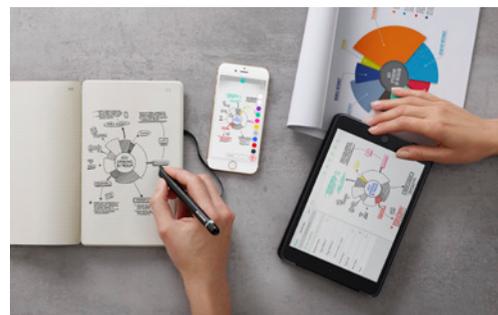

CULTURE

Moleskine is a **cultural icon**, a brand that tells a story. A Moleskine object connects the owner to a heritage in art, literature, cultural and geographical exploration.

MEMORY

Moleskine is a brand connected to the collection of memories, the **organization of time** and priorities in our working life and in leisure time.

PERSONAL IDENTITY

A Moleskine object becomes an **integral part of one's personality**. It is a basic, compact and intelligent accessory. Symbolic and practical design elements are combined, releasing energy and emotions collected over time.

IMAGINATION

Moleskine collections are **open platforms for creativity**, trusty companions for meaningful existential experiences.

TRAVEL

Celebrating contemporary nomadism, Moleskine offers a collection of tools to accompany you on your ordinary and extraordinary journeys.

CUSTOM EDITIONS

Selling through story telling

In today's crowded world, it's not necessarily the product or service which helps a company to stand out, it's the story. A heritage accumulated over generations. It is the way a company innovates in response to challenges that differentiates it from its competitors. **Moleskine helps companies tell their stories.**

DEEPER IMPACT: ASSOCIATION WITH AN ICONIC BRAND

A brand with a rich heritage, Moleskine imbues all of our objects with rich connotations, memories and experiences. **A partnership with Moleskine leads to a gift which is not just a beautiful object, but the beginning of a story.**

THE STRENGTH OF A GLOBAL COMPANY

A partnership with Moleskine is a connection to the legacy of a world-renowned brand founded and governed on inclusivity, creativity and self-expression. With **strong online activity**, extensive media coverage and retail outlets in 100 countries, Moleskine retains a **strong brand presence**.

QUALITY CONTROL, DESIGN OF THE HIGHEST QUALITY, ASSISTANCE THROUGHOUT THE PROCESS

Our **Custom Editions teams** work **worldwide** with the world's leading cultural institutions, companies and agencies, **providing knowledge and assistance throughout the process**.

Moleskine helps companies tell their story by adapting the right customized object for every project. Moleskine is committed to providing the **highest quality** standards throughout all of our collections. Each Moleskine object is carefully reviewed for quality standards to ensure every detail is preserved.

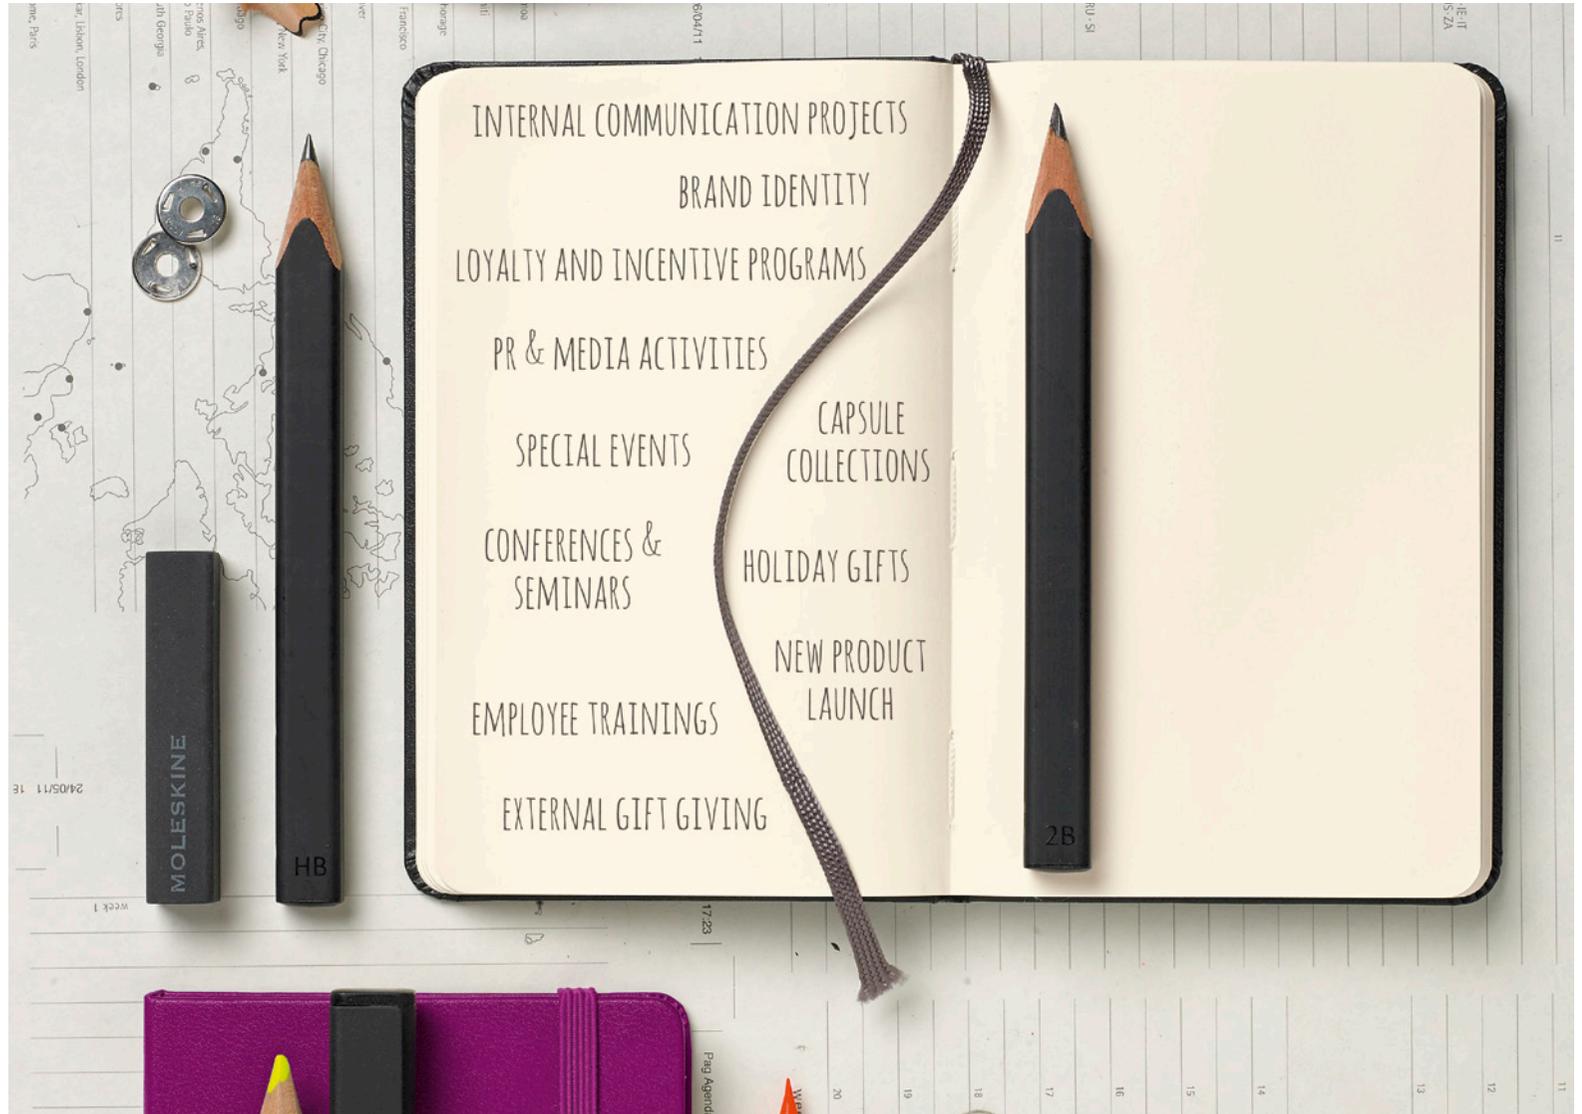

PERFECT OCCASIONS

Make an event even more memorable, bring an organization closer together, reward top clients or enhance training activities.

CREATE YOUR OWN MOLESKINE OBJECT

Our notebooks are books to be written, our bags are containers to be filled and our writing instruments fuel to communicate. We offer simple, thoughtfully designed, functional objects that can be turned into powerful communicators for the world's best brands. Start telling your story.

1. CHOOSE THE OBJECT AND CREATE YOUR OWN SET

Communicate beyond the pages of a Moleskine Notebook: find the **perfect match** for your company and create a customised set of matching objects. Some examples might include: notebook plus writing instrument, notebook plus a set of cahier journals, or notebook plus pen and bag. Moleskine pens are specifically designed to clip on to the side of the Classic Notebook and can be printed or engraved. Long-lasting high quality ink ensures your brand customization stands the test of time.

Walt Disney. Internal gifting.

2. PERSONALIZE THE OBJECTS

Personalization is a **simple and beautiful way to make your project unique**. A logo, company identity, or name can easily be added to the cover of any notebook, pen or Moleskine object.

Deloitte Backpack. Internal gifting activity.

4. PRINTED INSERTS

Incentives, invitations or other additional information can be communicated with an **insert, a printed card, flyer, or brochure** placed inside each Moleskine object.

Hermitage. Reselling.

3. ADVANCED PERSONALIZATION TO ENRICH YOUR PROJECT

Surprise recipients with the unexpected. For increased impact, **additional details can be added** to the front and back endpapers, inside cover or inner pages of our notebooks. Use dedications, carefully reproduced high resolution illustrations, sketches, images or text to tell your company's story or communicate personal messages. After all, the blank page is there to be filled.

Starbucks. Reselling.

5. PACKAGING

Packaging is an important communication tool which can be added to any project. The Moleskine notebook's paperband can be printed in a variety of colours and we offer **customized packaging**. Choose from elegant drawstring fabric storage bags, gift boxes or cases. Your logo, tagline or design can be printed on them as you request.

TECHNICAL CONSIDERATIONS

- 1
- 2
- 3
- 4

There are a many ways to apply a company identity to Moleskine objects, from classic printing techniques to the latest technological advances. You can discover more about each below.

Note: when printing with debossing and silkscreen, results may vary. Our team will help you make the best technical decision to communicate your story.

FOIL DEBOSSING

This technique is the same that has been used for thousands of years to decorate objects using gold leaf. It creates an indentation which can be felt and the result is striking and elegant. It is available for custom editions in a range of colours including metallic colours (commonly gold, silver, copper or bronze). Foil debossing works beautifully with one or more colours, but has some restrictions.

DIGITAL FOIL PRINTING

This technique produces an effect like foil debossing but without the indentation because it prints flat. This technique is mainly used to add names and initials to notebook covers.

DIGITAL PRINTING

This is a newer technique that allows us to reproduce full colour text and images, except metallic colours, on a variety of surfaces. Despite having some restrictions, it is a great way to replicate more challenging images.

BLIND DEBOSSING

Like foil debossing, this technique creates a strong indentation which can be felt. No colour foil is added so the notebook retains its original colour, creating an elegant yet discreet effect.

SILKSCREEN

Also called serigraphy, this is one of the oldest printing methods still in use today and results in bright, eye-catching colours. It can replicate almost any colour and therefore we always use it in printing logos and company colours. Despite some technical restrictions, this method works well with from one to four colours.

OFFSET PRINTING

This technique has largely substituted letterpress and lithography due to its higher quality, faster turnover, and lower production costs. It is a paper printing technique that Moleskine uses for all of our paper add-ons such as inserts, paper-bands, flyers and gift boxes. It is available only on paper add-ons and ad hoc projects.

NATURALLY SMART STORYLINE FOR 2017

The Naturally Smart Storyline 2017 inspires all our new collections, combining intelligent design with profoundly human elements, colours and sensations to appeal to the senses and empower your creativity.

Naturally Smart is the next volume in the Moleskine story, building on the Unique You concept of enabling individual creativity. Nature can refer to landscapes and the human form, mindfulness, simplicity, the senses and a feeling of timelessness. Smart can mean anything from intelligent to elegant, witty, well-designed and digital.

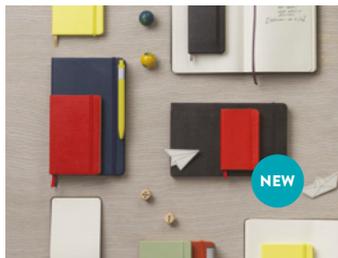

The Naturally Smart Storyline connects all these interpretations, using technology to recreate natural sensations. The result is a collection of intelligent and profoundly human tools to effortlessly empower your creative identity and ordinary and extraordinary journeys.

Moleskine Custom Editions can combine this Naturally Smart storyline with the unique contemporary classic design of our collections. Together, we can enhance your business, institution or organization by creating personalized gifts for your company events or corporate initiatives.

WHAT'S NEW

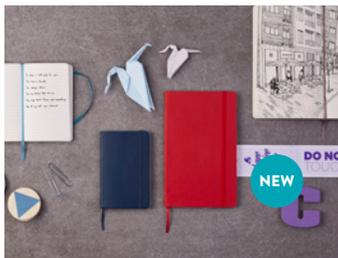

All new collections for 2017 are inspired by our Naturally Smart Storyline.

MOLESKINE APPLICATIONS

SMART WRITING SET

The legendary way to write, the latest way to curate and share.

Discover the story

Watch your ideas travel off the page and evolve on screen with the new generation Moleskine Paper Tablet, Pen+ and companion app. Enjoy the hands-on immediacy of putting pen to paper, teamed with all the advantages of digital creativity.

NCode™ technology embedded within each page of the Paper Tablet allows the Pen+ to capture each pen stroke as you capture your thoughts. The app then smoothly transfers your freehand notes from page to screen in real time, giving you the possibility to digitize text, edit, organize, share and bring your ideas to life. Simply tap the envelope icon on the page to share instantly. Naturally analog, conveniently digital, very Moleskine.

DIGITIZE

Digitize your handwritten notes. 15 languages recognized.

REPLAY

Replay your synced notes and voice recordings.

ORGANIZE, ARCHIVE AND SEARCH

Use tags to sort your notes. Digitize text and then search using keywords and sync with Google Drive and Evernote clouds.

SHARE

Share ideas via email by tapping the envelope icon at the top of the page. Send your notes as PDF, image, vector or text file format.

RECORD

Your strokes are simultaneously captured and can be paired with real-time audio.

EDIT AND HIGHLIGHT

Change the colour of your notes and highlight key ideas.

Works with Moleskine Notes app. Moleskine Notes app is available free on Apple App Store and Google Play Store

PAPER TABLET

1 2

The Paper Tablet, part of the Smart Writing Set, gives you the freedom to capture your ideas by hand on paper with all the advantages of digital creativity. The distinctively rounded pages of the Paper Tablet project beyond the cover to reflect the shape of a digital tablet, while thicker and more resistant 100 g/m² paper provides the perfect surface for writing and sketching. The invisible NCoded™ technology embedded within each page enables the Moleskine Pen+ to recognize where it is within the notebook and to transfer all your freehand notes from page to screen in real time. The Pen+ also recognizes differently numbered Paper Tablets, so you can effortlessly categorize your work.

FEATURES

- Paper Tablet with special paper designed to work with Pen+
- ivory-coloured 100 g/m² acid-free paper
- hard cover
- expandable inner pocket in cardboard
- elastic closure
- front endpaper with "in case of loss" notice

CREATIVE CLOUD CONNECTED COLLECTION

Take your hand-drawn sketches from paper to vector in a few short steps.

Discover the story

With this Moleskine Smart Notebook and your Adobe ID membership, you can instantly transform paper drawings into workable digital files through the Moleskine Creative Cloud connected app. Download free on App Store (only for iPhone) and start bringing your ideas to life, wherever and whenever you want.

CREATE WITHOUT BOUNDARIES

Instantly turn hand-drawn sketches into fully workable digital files.

DRAW

Draw on any page in the notebook.

CAPTURE

Download and open the Moleskine Creative Cloud connected app on your iPhone and take a picture of your drawing. The app uses the special page markings to help process and optimize the image as a JPG file before converting it into an SVG file.

SYNC & REFINE

Sync with Adobe Creative Cloud to store both file formats in your Creative Cloud Assets folder. Both files can be opened and edited in Adobe Illustrator® CC and Adobe Photoshop® CC.

Download Creative Cloud connected app. Creative Cloud connected app is available free on Apple App Store

LIVESCRIBE

Sync your handwritten notes to your digital devices using Livescribe.

Livescribe Notebooks by Moleskine combine iconic design with innovative technology. With an embossed cover that subtly references the design of the Livescribe 3 Smartpen, the notebooks are elegantly designed to inspire thoughts and ideas. Featuring centre-stitched binding to ensure they always lie flat, the notebooks include iconic Moleskine design details, from the familiar rounded corners, ivory-coloured pages and ribbon bookmark to the elastic closure and 'in case of loss' notice printed on the flyleaf.

1. WRITE ON PAPER AND SYNC INSTANTLY

Download the Livescribe+ mobile app, take notes in the Livescribe Notebook by Moleskine and send each pen stroke to your device in real time using the Bluetooth technology of the Livescribe 3 Smartpen and dot paper of the notebook.

2. CONVERT TO TEXT

Convert handwriting into editable text to cut and paste, tweet or share as you please.

3. LINK NOTES WITH RECORDED AUDIO

Livescribe smartpens can capture sound so you can associate key ideas jotted down in the notebook with full audio recordings that can be listened to again and again.

4. TAG AND FLAG ITEMS BY TAPPING THE ON-PAGE ICONS WITH THE TIP OF THE SMARTPEN

Works with Livescribe+ app. Livescribe+ app is available free on Apple App Store and Google Play Store
